Corporate Mission

Contributing to Society through Healthcare

We contribute to society by providing valued products and services in the healthcare market and by responding to the needs of patients and healthcare professionals.

Five Statements

Open Management:

We maintain a fundamental policy of open management, work to secure and return to our benefactors a suitable profit, and strive to develop our business on a global basis as befits a leading company in the industry.

Enhanced Value:

We emphasize the importance of scientific thinking, creativity, and time appropriation, and respond in depth to customer needs by creating valued products and services.

Safety and Reliability:

We pride ourselves on our commitment to the development of technologies and quality assurance systems that ensure safe, reliable products.

Respect for our Associates:

We emphasize respect for the individual, promote intercultural understanding, and encourage openness in the workplace in accordance with our slogan, "Associate Spirit," as we prepare to meet the challenges of the future.

Corporate Citizenship:

We conduct our business activities in a fair and equitable manner and act responsibly toward the environment as we fulfill our responsibilities as a good corporate citizen.

Global Vision

Innovating at the Speed of Life

As society changes constantly and science and technology advance, we remain focused on lives, and on rapidly bringing new value to medical settings.
